

Cloud Community Day Nagpur 2023

EVENT DETAILS

ABOUT US

"GDG Cloud Nagpur" is a Google Developer's Cloud Chapter spread globally, run by developers for tech and cloud enthusiasts, with a passion to usher an intense taste of technology in technophiles to thrive in the real world. Our aim is to empower many techies by providing them a platform of learning.

CLOUD COMMUNITY DAY NAGPUR 2023

Cloud Community Day is GDG Cloud Nagpur's Annual flagship event, which will be held on 28th May, 23 in Nagpur.

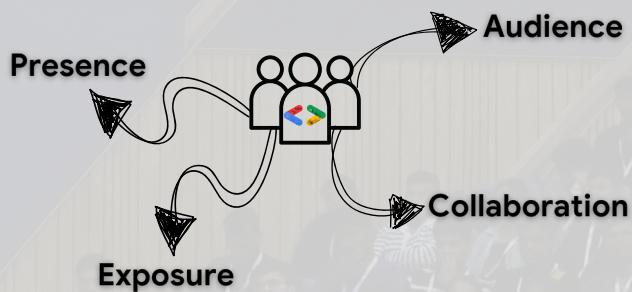

We're bringing an opportunity to learn about Cloud Technology and some other domains from the startup Founders, TedX speakers, Googlers, and industry experts.

We welcome all passionate tech enthusiasts, Cloud developers, and community enthusiasts interested to know the power of the Cloud and how they can use it and incorporate it into their products to make them even better.

OUR JOURNEY

CLOSING NOTE

TO THE TECH DIVERSITY

Being a vibrant knowledge society, we focus on uplifting the taste of technology. Inviting back the developers from every corner and the domain entities into the conference to energize the cloud world.

A diverse mix of voices leads to better discussions, decisions, and outcomes for everyone.
